

Opal Charter School Teacher
Opal School

Status: Full Time/Exempt (August 2019-June 2020)
Schedule: 8am – 4pm, Monday-Friday (Occasional evenings/weekends, as scheduled)
Reports to: Opal Charter School Teacher-Administrator

MISSION

We collaborate to create transformative learning experiences through the arts and sciences. The mission of the Opal School is to strengthen education by provoking fresh ideas concerning environments where creativity, imagination, and the wonder of learning thrive.

ORGANIZATION OVERVIEW

Portland Children's Museum consists of three aligned entities: (1) the Museum, where exhibits and programs serve the public both on- and off-site, (2) Opal School, an independent preschool and K-5 public elementary school, and (3) the Museum Center for Learning, which documents and disseminates fresh approaches to education and provides professional development for educators.

OUR COMMITMENT TO DIVERSITY AND INCLUSION

In the Portland metro area, 47% of students are children of color. At Portland Children's Museum, we strive to have our guest and school families reflect that diversity, and for our staff and board to be equally diverse. We are committed to *eliminating barriers to access and equity* and see a diverse workforce as a key step toward this goal. We actively seek to recruit, hire, promote, and retain a diverse workforce—one that welcomes and engages people from every background. We value our staff members, volunteers, and board members and their individual backgrounds, which further our ability to serve and learn from the diverse families that enrich our community. We invite you to join us on our journey.

POSITION SUMMARY

The Opal Charter School Teacher values and practices our inquiry-based approaches to teaching and learning. They teach in a community of children (ages 5-11), engage in daily collaboration and reflection with other faculty, and make learning visible through documentation, publishing, and presenting to the public. The Opal Charter School Teacher employs excellent interpersonal skills, strong organizational skills, cultural competency, a commitment to the rights of all learners, and the passion to realize the school's mission of transforming the field of education.

RESPONSIBILITIES AND DUTIES

Create Inquiry-Based Learning Experiences for Young Children (75%)

- Approach work through a growth-mindset as a teacher-researcher and engaged collaborator who is curious, eager to learn, joyful and kind.
- Develop and deliver vigorous and challenging inquiry-based experiences within the disciplines of reading, writing, mathematics, science, social sciences, and the languages of the arts framed by our learning structures (such as Story Workshop, Literacy Studio, Math Workshop, Project Work, etc.), guided by our Goals and Expectations for students and reflective of principles of teaching and learning practiced by Opal School.
- Value and practice nurturing the social and emotional intelligences of children through listening, asking questions, seeing conflicts as learning opportunities, offering strategies, and supporting them to repair relationships through problem solving.
- Arrange physical environments and materials in ways that reflect Opal School's principles of teaching and learning.
- Integrate knowledge of the Common Core Standards with Opal School's approaches

- Effectively organize time, space, materials and research data (dialogues, photographs, videos, etc.).
- Use research, documentation, and assessment to inform teaching practice and curriculum decisions.

Collaborate and Reflect with Teaching Team (10%)

- Participate as an engaged member of the teaching team in which collaboration, dialogue, risk taking, honesty and reflection are practiced values.
- Develop and utilize frameworks to understand and assess individual growth and learning.
- Demonstrate an eagerness to continue to learn and grow as a teacher and researcher by practicing inquiry, actively digging into current research related to this work, and regularly journaling and sharing reflections with others.
- Participate as a member of the community and collaborative teaching team through dialogue, analysis of student work, sharing observations and questions, planning, and capturing thinking.

Making Learning Visible to Families and Educators (15%)

- Employ strategies for making adult and children's learning visible in a variety of ways, including blog posts, presentations, documentation panels, etc.
- Communicate with parents/guardians about student's experiences, gifts, learning edges and growth toward Opal School Goals and Expectations via informal conversations, conferences and academic records.
- Contribute to weekly classroom or community updates for parents/guardians.
- Model our teaching and learning approaches to educators who participate in workshops; engage in dialogue with them (in person and online) about our values and practices.
- Present research and participate in public forums to influence the field of education.
- Integrate technology to support learning and documentation including digital photographs, audio recordings, scanned work, and video; organize and catalog the experiences of children and adults each week.
- Ensure compliance with State regulatory agencies' guidelines.
- Fulfill all other responsibilities as assigned by supervisor and defined by annual work plan.

QUALIFICATIONS

Skills

- Elementary teaching license required, master's degree preferred
