

Membership Frequently Asked Questions

What does “named member” mean?

Your membership is for the specific people listed on your membership, that includes anyone over the age of 12 months. Members on the same membership do not need to live in the same household.

I have a free guest on my membership level, does that mean my child can be brought to the Museum by a guest?

An adult member needs to be present in order to use the guest benefit. If you need more flexibility for who brings your child to the Museum, consider adding a Caregiver Pass to your membership.
